The screenshot displays a mobile application interface. At the top, a green banner features a white checkmark icon in a circle, followed by the text "Scan complete" and "424 items scanned". Below this, there is a section for "Automatic scanning" with a magnifying glass icon, a toggle switch, and the text "Keep me safer by automatically scanning for threats once a day." The main section is titled "Choose your level of protection" and contains two options: "Get complete protection" (highlighted with an orange border) and "Continue with free" (outlined in purple). Both options include a shield icon and a right-pointing arrow.
